

# MEDIA ALERT

13<sup>th</sup> March, 2020

Business Summit postponed media release.

Dear media representatives,

In the interest of public safety and in accordance with smart traveller advice to reconsider all non-essential travel, Tamworth Business Chamber has made the decision to postpone the Tamworth Regional Business Summit (March 17-19) until October 2020.

This decision has been made with the understanding that whilst our region is currently considered a low-risk area for Covid-19, the health and wellbeing of our community must come first. We also recognise that a number of our speakers are justifiably, reluctant to travel.

The Tamworth Regional Business Summit will now be held in October which is also Small Business Month. Final dates will be announced once we have reconfirmed speaker availability and of course, once there is certainty that this crisis has passed.

Ticketholders are advised that all bookings have been transferred to the coming event, and tickets can be used by whomever your business chooses to send as its representative(s) at the time of the event.

Tamworth Business Chamber would like to thank and acknowledge the cooperation of all Summit sponsors, including Joblink Plus, in our decision to postpone the Summit.

Kind Regards,

A handwritten signature in black ink, appearing to read 'Jye Segboer', with a long horizontal flourish extending to the right.

Jye Segboer

Tamworth Business Chamber President
